Datalogic Full Touch Android PDA

DATALOGIC RUGGED EXPERTISE MEETS ANDROID... IN A FULL TOUCH 5" PDA!

The DL-Axist™ PDA combines the latest technologies and user friendly experience in a complete package. An appealing look and feel and a brilliant full touch 5 inch HD screen are combined with industrial robustness to survive indoor and outdoor usage. The DL-Axist PDA also has a protective rubber boot and Gorilla® Glass 3 screen to ensure ruggedness.

DATA CAPTURE

The DL-Axist PDA is equipped with an advanced 2D imager allowing quick and easy data capture from high density codes to the standard range distances, along with Datalogic's patented 'Green Spot' technology for good-read feedback. For applications requiring evidence of task execution or damaged documentation, a 5 MP Autofocus camera with a built-in LED flash provides easy documentation with photos.

Datalogic's SoftSpot™ technology is a user-definable 'floating soft trigger' to leverage the large touch display, allowing a new triggering experience for the user!

WIRELESS COMMUNICATIONS

The DL-Axist PDA leverages five embedded wireless technologies: Wi-Fi 802.11 a/b/g/n Cisco CCXv4 certified for quick network access and with superior MIMO technology (ensures higher throughput and better coverage), 3G/4G for real-time wide area voice and data coverage, Enterprise Class Assisted GPS (A-GPS) for location based applications, Bluetooth® wireless technology v4 for fast and low power consuming data connections and NFC for easy and intuitive configuration and pairing.

DATALOGIC 'ANDROID RUGGED MOBILITY'

The DL-Axist PDA integrates an Android operating system (the leading OS for mobile devices) complimented by a suite of tools enabling Enterprise level security, fast deployment and easy management, thus helping to maximise your ROI.

Key features:

- Android v4.1 (v4.4 coming soon, free update)
- 5 inch HD Multi-touch Screen, Gorilla Glass 3
- NFC for configuration and pairing
- IP67 rating and 1.8 m / 6.0 drop resistance

Citizen CMP-40L

A Serious Contender in the Tough Mobile Printer Market

The Citizen CMP-40L is a hand-held, hard-wearing and easy to operate printer that is perfect for fast and reliable printing on the move.

- Quick and easy media changing with drop in paper loading and paper out indicators.
- Label or receipt printing LCD display for easy configuration and operation
- Integral peeler for labels
- Integral tear bar to cut paper to length.
- Adjustable paper width: 2 - 4.4"
- Heavy duty protection: IP54 and drops of up to 1.8 metres
- Lithium Ion battery technology and easy-to-change power packs.
- AC adapter as standard designed to recharge batteries on-board the printer.
- Range of interfacing options including USB, industry standard serial plus Bluetooth® and Wireless LAN networking options.
- Windows drivers and software
- Large capacity with media rolls up to 4 inches in diameter
- iOS , Android and Windows mobile

At around £600 it is great value. The printer is also available in 2" and 3" wide models.

Unitech Pocket Scanners

Scanning Companion for Phones and Tablets

For any mobile worker, the Unitech pocket scanners are the way to go for mobile scanning. Compact but powerful; they feature simple pairing to any smartphone, tablet, or computer.

Compatible with iOS, Android, and Windows, these Bluetooth companions are the easiest way to bring barcoding to any business by putting powerful data collection tools in the palm of your hand.

Available in linear 1D, CCD; 1D laser or 2D Imager

Bring the aggressive scanning ability of the ultra-portable scanner anywhere you go.
